About Bocconi Students Fintech Society

Bocconi Students Fintech Society is a group of enthusiastic students from Bocconi University with a strong interest and knowledge in Financial Technologies

We want to **favor relationships with fintech companies, banks, venture capital and consulting firms**, increasing fintech awareness and giving suggestions for a future career.

Our aim is to **develop and share knowledge** about the importance of the companies that are reinventing the global financial services. To do so, we gather students that are willing to take on new challenges and explore the future of finance.

Since our foundation in 2017, we are the **leading fintech association in Bocconi University**, generating new ideas and opportunities.
